Attention:

High School Seniors!

Call Ray Photography for your Senior Pictures this year!

This year we're giving away **FREE PORTRAIT SITTINGS** to the **first 10 High School Seniors** to schedule and hold their portrait sessions with us. However, if you schedule an appointment but cannot keep it for any reason, you'll lose your place in line and we'll call the next person on the list.

Have questions about clothing choices or print pricing? Just check out our website at www.rayphotography.com and you'll more than likely find the answer to your questions.

Looking forward to making you look great,

Tom Ray
